

Terms and Conditions “Evian 200 Years Activation – Areas”

The company AGUAS DANONE, S.A. (hereinafter, the “Organizer”), with registered address at Calle Buenos Aires, 21, 08029 Barcelona, Spain, and Tax ID No. A-08016255, organizes a promotional campaign for its Evian brand, which shall be governed in accordance with the following promotional terms and conditions.

1. SCOPE

1.1. Timeframe

The promotional period will run from June 1, 2026, to August 31, 2026, both dates inclusive.

1.2. Participants

Only natural persons over 18 years of age who have accepted and comply with all the terms and conditions set forth herein may participate in this promotion.

Participants in this promotion may obtain one entry into the prize draw by purchasing one of the promotional products described in section 1.3., in accordance with these terms and conditions.

Participation is free of charge, only requiring the purchase of the promotional product and internet access, both of which shall be borne by the participant.

1.3. Product Included in the Promotion

The promotional products, the purchase of which allows participation in this promotion, are:

EVIAN still water bottle 75 cl. (EAN: 3068320014067)

1.4. Territorial Scope

The territorial scope of the promotion covers Spain.

1.5. Participating Establishments

The establishments participating in the promotion, where the promotional product must be purchased, are the “ÁREAS” points of sale located in airports, train stations, and highways throughout Spain, detailed in ANNEX I of these terms and conditions.

2. PRIZES

The prizes will be distributed through the computerized “Winning Moments” system, according to the mechanics detailed in clause 3 of these terms and conditions.

There will be a total of two hundred (200) prizes throughout the promotion, consisting of one Fujifilm Instax Mini 12 instant camera, valued at approximately eighty-nine euros (€89).

2.2. Prize Conditions

The prizes are personal and non-transferable and are limited to one prize per person (passport/ID) and household. Waiving the prize shall not entitle the winner to any compensation or indemnity.

The prizes will be delivered by courier to the address provided by the winners.

Logistical limitations: prize delivery is limited to mainland Spain, the Balearic Islands, and the Canary Islands. If the winner’s delivery address is outside this area, the Organizer reserves the right to provide a bank transfer for the equivalent prize value instead of the physical prize. Under no circumstances may the winner choose between the physical prize and the bank transfer; the Organizer shall decide based on logistical criteria.

If the winner resides outside the European Union, the prize amount will be transferred in the winner’s local currency. The exact amount received shall result from applying the official exchange rate in force at the exact time the payment is made.

The Organizer reserves the right to replace the stated prize with another of similar characteristics and value in the event of unforeseen circumstances.

The prizes included in this promotion may not, under any circumstances, be exchanged, altered, or compensated financially at the request of the winners.

The effective delivery of the prize shall be subject to the participant complying with the conditions specified herein and to the accuracy of the information provided.

The prizes in this promotion shall be subject to the applicable Personal Income Tax (IRPF) regulations. Participants are informed that prizes awarded through games, contests, raffles, or random combinations, whether or not linked to the promotion or sale of certain goods, products, or services, are subject to withholding or advance payment whenever the prize value exceeds €300 in cash or €250 in kind.

The prizes in this promotion are not subject to withholding or advance payment of Personal Income Tax (IRPF), pursuant to Article 75.3.f) of Royal Decree 439/2007 approving the IRPF Regulations, as the withholding base is below €301.

3. PROMOTIONAL PARTICIPATION MECHANICS

All persons who, during the promotional period, purchase a promotional product at one of the participating establishments may enter the draw by accessing the promotional website promoevian200years.com during the same period. Access may be obtained by scanning the code found on communication materials displayed in participating establishments and uploading an image of the full purchase receipt clearly showing the promotional product, the "ÁREAS" establishment, and the purchase date, which must fall within the promotional period and not exceed seven days from the date of issue of the receipt.

To participate, users must expressly accept these terms and conditions and the privacy policy.

Receipts must be original. Purchase orders, delivery notes, photocopied, reproduced, altered, or duplicate receipts will not be accepted.

Each purchase receipt grants one single entry, regardless of the number of promotional products included therein. If more than one entry is submitted using the same receipt, participants will be excluded from the promotion.

If requested by the Organizer, the participant must send the original purchase receipt relating to the participation within five working days from the request date.

The claims period ends twenty days after the end of the promotion.

For any questions regarding the promotion, participants may contact: promociones@highco.es, indicating the name of the promotion and the query.

3.1. Winning Moments Mechanics

Prize distribution through the computerized Winning Moments system shall operate according to the following mechanics:

Participants will know whether their participation is a winning one immediately upon registering in the promotion, once the registration form has been completed and the "Participate" button clicked.

Users whose participation coincides with a Winning Moment will receive one of the prizes described herein.

Each Winning Moment will have an exact starting day, hour, and minute. Winning Moments will be determined entirely at random through a computer application, and the generated list will be deposited with a Notary Public prior to the start of the promotion.

If no participant coincides with a Winning Moment, the prize will remain unawarded.

If the participant or the participation corresponding to a Winning Moment does not comply with the conditions set forth herein, the participant shall lose the right to the prize.

Communication and Delivery of Winning Moments Prizes

Participants will be able to see whether their participation matches one of the Winning Moments immediately after correctly completing the participation form and clicking the "Participate" button.

If they are winners, this will be communicated on the same screen, and they must complete the registration form with all mandatory information requested in order to arrange prize delivery, provided their participation is validated.

After verifying compliance with these terms and conditions, the Organizer will send the prize to the winners at the address provided, provided that the address falls within the promotional logistical limits.

If the winner's address falls outside the logistical limits, the Organizer reserves the right to replace the prize with a bank transfer corresponding to the value of the prize: eighty-nine euros (€89).

The Organizer shall not be responsible for any failure by the winner to receive the email notification. The Organizer reserves the right to request proof of identity and the original receipt/invoice from the winner.

4. PERSONAL DATA PROTECTION

The personal data collected for the purposes of this prize draw and commercial prospecting are processed by the Organizer as data controller.

In compliance with applicable Spanish and European data protection regulations, participants are informed that the personal data voluntarily provided through participation in this draw shall be incorporated into a file owned by the Organizer.

The Organizer uses participants' data for the purpose of managing this prize draw and awarding prizes. This is necessary for the legitimate interests pursued by the Organizer in organizing promotional operations.

By checking the box (not pre-checked) included in the registration form, participants expressly consent to the processing of their data for the purpose of organizing and managing the Promotion.

Participants may exercise their rights of access, rectification, erasure, objection, portability, withdrawal of consent, and restriction of processing by contacting SAEME at 17 rue des deux gares, 92500 Rueil-Malmaison, France, or by email at dpo.evianvolvic@danone.com.

5. RESERVATIONS AND LIMITATIONS

The Organizer shall be exempt from liability in the event of malfunction of electronic communication networks preventing the normal development of the promotion for reasons beyond its control.

The Organizer reserves the right to disqualify participants who provide incorrect data, misuse the promotion, commit fraud, or prevent the normal operation of the promotion.

The Organizer also reserves the right to cancel, modify, or suspend the promotion in the event of fraud, technical errors, force majeure, or any other cause beyond its control.

Participation is prohibited for persons professionally linked to the Organizer, their direct family members, and collaborators involved in the implementation of the promotion.

This promotion shall be governed by current Spanish law.

6. APPLICABLE LAW AND DEPOSIT OF THE TERMS WITH A NOTARY PUBLIC

These legal terms and conditions governing the promotion have been deposited and published in the Electronic Archive of Competition Terms and Conditions (ABACO), a public interest service offered by the General Council of Notaries at www.notariado.org/portal/ABACO, and are also available for consultation at promoevian200years.com.

7. ACCEPTANCE OF THE TERMS

Participation in the promotion implies full knowledge and acceptance of these terms and conditions, as well as express submission to the interpretative decisions made by the Organizer.
